REPORT OF POLICE DEPARTMENT

This past year has been as challenging as ever. However, this department has worked to aid and protect the people and keep the peace, and commends the citizens of this town for their readiness to cooperate.

We have added to the Department three special police - Arthur Pierce, Jr., Carl West, and Frank Waters. These men have assisted our regular officers in patrol and traffic duty.

Officer Arthur Pierce, Sr. and Special Officer Arthur Pierce, Jr. are attending the Southern N. H. Police Training School and Special Officer Frank Waters received law enforcement training while a member of the Great Barrington, Mass. Police Department.

It was necessary to purchase some new equipment this year and in October a special money raising project was headed by Officer Clinton Arnold, Jr. Some of the proceeds were used to purchase equipment and some were used for law enforcement study books.

Regular monthly meetings were held to promote complete communication and cooperation among all members. The Chairman of the Board of Selectmen attended each meeting.

Of the over 1,200 hours devoted to police work this past year, the budget only allowed payment of 750 hours; so again this year, we note that the members of this Department have given much of their time, as well as using their own vehicles.

Over 600 calls were handled by this Department and a partial breakdown follows:

REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

LEST WE FORGET - IT CAN HAPPEN HERE

Disastrous forest and brush fires that destroy hundreds of homes are more prevalent on the West Coast, with their dry seasons and strong dry hot winds, but 25 years ago this fall is the anniversary of a disaster that devastated large areas of Northern New England, leaving villages in ashes with rows of cellar-holes and chimneys in a number of summer vacation home locations. Many lives were lost on that destructive day of October 23, 1947; nothing could stop the wind-driven flames.

It is true that such conditions are unusual for New Hampshire, but they happened once and they can happen again. The fuel for fires is all around us. All it takes is a firebrand. Only by cultivating a habit of carefulness with fire at all times can we meet the challenge of protection when dry conditions prevail. Please let these reminders be your guide:

1. Never, either when walking, riding or driving, discard a firebrand - a lighted match or a glowing cigarette.

2. Always obtain a permit for any outside burning. The burning of household rubbish is not permitted if your town has rubbish collection. Burning of grass or garden litter can be dangerous. See your warden first.

3. If you camp or picnic, be sure open fires are allowed and if they are, put them dead out when leaving.

4. Most Important, instruct your children in the danger of the lighted match. A lighted match and dry grass or forest litter is a dangerous combination, which leads to destructive loss and can lead to tragedy.

The past year, 1971, was a favorable year for the control of fires. There were too many fire starts in some towns. We thank those who remembered, and ask others to heed Smokey's message.

Number of fires reported and acres burned - 1971 season:

STATE	463 fires	160 acres
DISTRICT	101	61

REPORT OF CEMETERY SEXTON

In the year of 1971, we were fortunate in receiving assistance from the Rockingham County Youth Corps.

Brenda Mortel and Marie Hadley did a fine job of mapping all private and public cemeteries in town. This included size of cemetery and size of all lots, plus logging of names and dates.

Albert Duston, Robert Duston, and Robert Hadley did a good job of cutting brush, trimming trees, and mowing lots; all sunken lots were filled and seeded. A new section, 40' x 180', was raked of rocks and seeded. Two new wire fences were installed in Center Cemetery.

In 1972, it is planned to extend the back section of the Meeting House Cemetery. We plan to gravel the walk to "Ye Olde Cemetery," and also to level and seed lot in front of same.

Sexton of Cemeteries

REPORT OF CEMETERY TRUSTEES

The Trustees would like to encourage all having lots in the public town cemeteries to establish a trust fund for the perpetual care of same.

All lots are required to have corner stone markers. Cement vaults are required for all burials.

DANVILLE PUBLIC LIBRARY

During the year, nearly 400 books were added to the library shelves. Thanks go to all friends for their donations - especially to Mrs. Jain Himot for time spent cataloguing and to my father for nearly 200 adult non-fiction.

Story Hours and Open House during National and Childrens Book Weeks were well attended. Regional book selection meetings, a \$100.00 Grant for reference books and Bookmobile visits were provided through our membership in the Statewide Library Development Program.

In 1892, the library was established in the Selectmen's Office in Town Hall. By 1966, we had outgrown our space - so we expanded behind the stack area. Once again we have reached capacity and look forward to the day when we have our own building.

You are all invited to come in| Tuesdays from 10 a.m. to noon and 4 to 6 p.m.; also Thursdays from 7 to 9 p.m.

REPORT OF THE PLANNING BOARD

At the Town Meeting of March 9, 1971, the two amendments proposed by the Planning Board were accepted: Article XVI, "Multiple-Unit Dwellings" and Section L, "Definitions." These have been incorporated in the zoning ordinances of the town. Copies of these are available at the Town Hall.

The Board is continuing to work on updating the ordinances, with special emphasis on the Land Subdivision Control Regulations. The Board is fortunate to have John E. Carr as a new member. His engineering background will be invaluable.

The resignation of Jack Morse was accepted with extreme regrets. He was a valuable and loyal member, and will be missed.

The Board would like to take this opportunity to urge residents to present ideas and suggestions for consideration. Monthly public meetings are held at the Town Hall.

Respectfully submitted,

WILLIAM H. BYRON
Chairman
